

A close-up photograph of a dark reddish-brown textured surface, possibly a book cover or endpaper. The texture is fine and granular. The lighting is slightly uneven, with a brighter area on the right side.

GOBI 04

A close-up photograph of a light brown textured surface, similar to the one above but with a different color and texture. The texture is also granular and fine. The lighting is relatively even across the surface.

GOBI 03
